

The poster features a light beige background with a subtle wood-grain texture. In the top left corner, a single green mint leaf is partially visible. In the center, a large, vibrant green mint leaf is positioned diagonally. To the right of the central leaf, a small branch of thyme with green leaves and tiny white flowers extends from the bottom right towards the center. In the bottom left, a white ceramic teapot is shown from a top-down perspective, with its lid slightly ajar. To its right is a white ceramic bowl filled with a golden-yellow liquid, likely tea, with a small sprig of thyme floating on the surface. The text is arranged in a clean, modern layout, with the main title in a dark green serif font, the workshop details in an orange sans-serif font, and the location and contact information in a dark green sans-serif font. A small orange icon of a steaming cup is located in the bottom left corner.
